Gentlemen:

A short time ago we wrote to the Commanding Officer, Third Infantry, Fort Snelling, Omaha, for a specimen of the badge presented to those of the President's guard at Brule during the summer of 1928. We are in receipt of a letter from Capt. F. M. Dyer, Adjutant, Third Infantry, stating that we can get one of these badges from your company.

We would very much like to have one for our Museum and will send you remittance to cover charges on notice from you.

Very truly yours,

Gentlemen:

About a month ago we received from you a notice, as we understand it, that you were making for us a medal of the President's Guard, Third Infantry, on order from the Commandant, Third Regiment, Fort Leavenworth. As yet we have not received this medal. We presume there will be charges, which we will meet on receipt of bill.

Very truly yours,

Curator

Gentlemen:

Concerning the medal given to the President's Guard, Third Regiment, at Brule, Wisc., I would like to ask a question concerning the ribbon. We were given to understand, perhaps erroneously, that the ribbon was to be the colors of the regiment, black and white. The medal you sent us had a bright red ribbon. Is this ribbon correct?

Curator
